4 Alice: Autistic Magical Girls Drawings [OCs and I]

Since I had commissioned more then 100 digital drawings for "4 Alice: Autistic Magical Girls"
as a Visual Novel, I might as well put them here on MiaQc Archive.
Enjoy!
Each artist from Fiverr is credited and there is commentary by me. Magical Girls FTW!

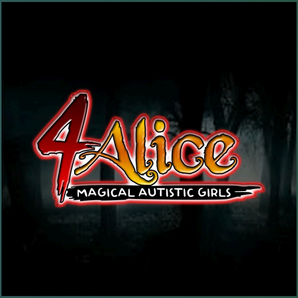
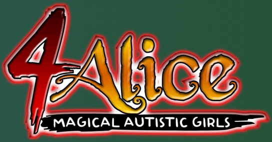
4 Alice Logo by widya_gfx.
Realistic Art style.

I wanted the logo to give a mysterious/horror lite vibe.

I also wanted the colors orange and red to be used. Orange for a reference to Alice Lorange. Red for blood.





▯○♥▯♥○▯○♥▯♥○▯

Mia Avatar by bluezinga.
Anime and semi-realism style.

In Real Life, my eyes are blue-gray and my hair is a darker blonde.
In the photo I used as a model, my eyes looked gray so that's it.
For the hair, I made the decision to go with a lighter blonde instead of my ash blonde that looked brown in the picture.

Mia Logo by widya_gfx and arciimmm.
A photo of me on my PC Gaming chair edited with a cartoon filter. My hair looks brown here instead of ash blonde.

Alice Brown Angry by tarekalkhaldi/@HARTART2020.

From the USA, Alice Brown is the youngest Alice. Her last name is also a pun for her hair color.

Wanting to diversify my characters and not have all white skinned people, Brown has dark skin.
(And no this isn't a "forced Woke DEI" thing. I'm Anti.)

Melane Angry by tarekalkhaldi/@HARTART2020.

Ethel's friend. According to Lorange, she's a mean girl, a pest, but is it really the case?

I wanted her to be a blond teen wearing pink. Like Ethel, Melane is a minor character.
